NOTIFICATION OF ERRORS

Seattle, Washington 98101

TO THE COMMISSIONER FOR PATENTS:

The following error was noted in a review of the above-identified Letters Patent. This error was either inadvertently made in the original application or occurred in the printing of the patent. Since the error is of an obvious nature, a formal Certificate of Correction is not believed to be warranted at this time. Therefore, it is requested that this notification be placed in the U.S. Patent and Trademark Office file.
